If you are a member of another athletics club and wish to join Winston Runners as a second claim runner, please email membership@winstonrunners.com after joining as an unaffiliated member.

Membership fees cover the cost of all training sessions. Full membership also includes registration with England Athletics, which gives additional benefits, including a £2 discount on the entry fee for road races, eligibility to run for the club in the annual cross country league and eligibility to enter draws for free club places in races, including any London Marathon places the club receives. Any unaffiliated member entering a road race must enter as an unattached runner and must not attempt to claim the £2 discount.

If you select full membership, we will provide England Athletics with your personal data which they will use to enable access to an online portal for you (called myAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org. If you do not select full membership and then decide to compete for the club, we will need to register you with England Athletics and we will inform you at that time.

The information provided in this form will only be used for club management purposes. To review the club's privacy policy, please visit <http://winstonrunners.com/site/privacy.php>.

I declare that I am medically fit to undertake any exercise as part of my membership of Winston Runners and I agree to abide by the constitution and rules of Winston Runners (<https://winstonrunners.com/rules.php>).
